Appropriateness Warning

The information you provided on your UBFX account application indicates one or more of the following:

- You have less than six months prior experience self-trading leveraged products;
- Your annual income is less than \$25,000.00 USD (or currency equivalent);
- Your liquid net worth is less than \$10,000 USD (or currency equivalent); or
- You are under 21 or over 65 years old.

We need to inform you that trading leveraged products is not appropriate for you, and recommend you do not continue with the application. Trading leveraged products carries a high degree of risk and may result in losses greater than your initial deposit. Finance Managers Co. Limited and their platform www.ubfx.co provides an execution-only service to its clients and you will need to rely upon your own skill and judgement when trading these markets.

By ticking that you have read, understood and accepted this warning, you agree that the below statements apply to you.

Attitude to risk and investment objectives

- You understand the risks of trading leveraged products you confirm that you have the necessary knowledge and expertise to fully appreciate the risks involved.
- You understand that trading leveraged products is high risk and that you could lose your entire original investment. You are able to assess the risks involved and deem them appropriate for you.

Investing experience and expertise

- You have gained sufficient experience and expertise in dealing in shares and other similar investment instruments, and you understand the complexities of trading leveraged products.
- You have attended relevant courses or seminars on leveraged trading that has given you sufficient knowledge and expertise to assess the risks that may arise from trading.

Finance Managers Co. Limited offers demo accounts where you can practice trading against realistic Forex prices and we would encourage you to try this before trading with real money.

You can download a demo account from our website at www.ubfx.co
